Dear Mr. ^{Dan}Patterson:

Thank you for your kind words and continuous support.

For someone with my background and early life in Searchlight, to have the experiences I have had is the story of what is possible in Nevada. Working in the United States Congress, representing Nevada is an honor. I have done my best to do what I felt has been in the best interest of Nevada and the nation. Though I will not be running for re-election in 2016, I will spend the coming months working just as hard as I have for the past 33 years.

The support shared by you, and others throughout Nevada and the country, has been heartwarming.

My best wishes to you.

Sincerely,

HARRY REID
United States Senator

*P.S. I hope you again seek
election 2016*
